

BULLETIN NO. 11/12-007 DATE: 27 Dec 11

TO: All ISR Racing Affiliates

**SUBJECT: ADDITION OF HANDLE BAR WARMERS TO
STOCK KITTY CAT AND 120/4 STROKE
SNOWMOBILES**

Race Rules Committee ruled that handle bar hand warmers are allowed to be installed on Kitty Cat and 120/4 stroke snowmobiles.

The handle bar warmers cannot interfere with the integrity of the taillight and the headlight.

If a battery is used to power the hand warmers, it must be a sealed battery and not a lead acid battery.

This rule will be reviewed at the 2012 Race Rules Meeting.
