

ABOUT KCPRO-EAST

KCPRO East is a non-profit organization that has been around since 1991. We have oval ice races for children ages 4 – 14. We have 14 different categories that the kids race in depending on their age. KCPRO East sponsors several races in the Northland. We are looking for local businesses to help us with a monetary donation. The money is used 100% for the children. The racers receive awards for each race and they also get a goodie bag filled with snacks and local area coupons and information
